Folien GmbH

allflex SX + allflex SX Plus

ROBUST FILM

11-layer PA/PE special film
with medium barrier
available from 100-350 μ

IDEAL FOR CORNERS AND EDGES

The **allflex SX** film is the perfect solution for demanding packaging requirements. Its multilayer structure offers high mechanical strength and makes it extremely resistant to punctures and tears, even with sharp edged or irregularly shaped products.

With its outstanding sealing performance, the allflex SX film ensures a secure seal even under difficult conditions. Thanks to its outstanding barrier properties, allflex SX extends the shelf life of sensitive goods.

PRODUCT EXPANSION:

For particularly demanding applications where the puncture resistance of the allflex SX is not sufficient, we offer the **allflex SX Plus** – an optimized version with 40 % polyamide content for even greater resistance.

APPLICATION EXAMPLES:

- Smoked ham, South Tirol bacon, spare ribs
- Hard cheese
- Bone packaging
- Shellfish
- Industrial products such as screws and nails

ADVANTAGES AT A GLANCE:

- ✓ High puncture and tear resistance
- ✓ Optimized thermoforming properties
- ✓ Reliable sealing properties ensure freshness and quality
